If you want to take the work out of washing, and perhaps have it done in your own home, without the many worries of the past, The Eden Electric Washer is the solution. You should see this wonderful machine, at A. J. Hawn's, Agent, Farmington, Mo.

The Epworth League of the M. E. Church, South, will entertain and banquet their many friends who helped them win the cup, in the church basement this evening, and a large and merry party is expected. The members of this live organization of young Christian workers feel very proud of their recent victory, as well as their trophy, and are consequently grateful to their many friends who aided them in their efforts.

Sheriff John G. Hunt left Tuesday afternoon for Dayton, Ohio, to secure Roland Phillips, who is wanted in this county for having sold a stolen car to Shelton T. Horn, at Bonne Terre. This Sheriff Hunt's third trip to Dayton on the same mission, as Phillips has put up a strenuous fight to escape being brought back. But this time Sheriff Hunt has received a telegram from the Dayton authorities that his prisoner was being held for him.

You should not overlook the fact that A. J. Hawn is agent for The Eden Electric Washer and Safety Wringer, and will be pleased to give you a demonstration of how they eliminate work from washing. They have been tested and approved by the Good Housekeeping Institute, than which there is no higher approval.

Our splendid friend, John T. Burks, who is master of the great Iron Mountain domain, was looking after business in Farmington Tuesday. On being interrogated regarding an impediment in his walk—he was using a cane.—The Times was informed that he had been quite seriously injured seven weeks ago while assisting in loading hay. In the accident four of his ribs had been broken, and he had but recently been able to get about.

The City Cash Store will move next week into the building recently occupied by the Industrial Transportation Co., on which the company has secured a five-year lease. This company has also purchased the furnishings of the defunct corporation, which are already in the building. This is a splendid location, and the City Cash Store is making preparations for an anticipated increase in business.

Next Sunday evening's service at the M. E. Church, South, will be given over to a program that has been prepared by the Epworth League, and an interesting and profitable service is looked forward to. The theme that will be attempted to be impressed is "Methodism's Efficiency Factor", showing that most of the good work of the church has its inception in Epworth League workers.

"Clean-Up Week" started in under adverse weather conditions, the days being cold, dark and rainy, being calculated to put the necessary enthusiasm for a thorough clean-up job on an up-hill grade. Yesterday, however, was clear and warmer, and the sunlight disclosed the fact that quite a respectable job of cleaning out the debris had been done, which will be continued during the remainder of the week, when it is to be hoped the weather will be more favorable for such work.

Wednesday's St. Louis Globe-Democrat contained pictures of five old Farmingtonians who for fifty years or more have been members of the local Odd Fellows Lodge, all of whom are still living. They are: John Cunningham and David Doughty, both with fifty-six years membership to their credit, and Luther K. Peers, with fifty-four years membership service, all of whom are still residents of this community, and honored and respected citizens. The other two, Joseph Alexander, who for the past thirty-eight years has held responsible positions in the St. Louis police department, and John Lorenz, now a resident of Illinois, were the guests of honor at the recent ceremonies of St. Francois Lodge No. 48, I. O. O. F., when they were presented with gold service pins in honor of their fifty years of honorable membership in that order.

TWO SUICIDES THE PAST WEEK

Mrs. Jack Hartzell, living at Esther, committed suicide last Friday by blowing the top of her head off, placing the muzzle of a shot-gun in her mouth. In order to commit this deed she had sent her 16-year-old son to the postoffice. She was about 45 years of age, and the only cause known for her self destruction was melancholy.

Her husband had left her about three years ago, but had returned about the time of the frightful deed, and The Times is informed that he has paid all her funeral expenses.

Millard Dickey, of Hurryville, in the same vicinity, killed himself Monday by a shot through the mouth with a 22-caliber rifle. He was about 40 years old. Mental aberration was the cause of his act. He had served some time in the Farmington asylum.

SATISFYING LUNCH
AND EDIFYING TALK

The ladies of the M. E. Church, South, as is their habit, arose splendidly to the occasion by supplying yesterday noon the one thing needful to make the visit of Rev. J. M. Bradley, Educational Secretary of that church, all that could be desired by serving an excellent and substantial noon-day luncheon, in order to give the business men an opportunity of hearing the important message Rev. Bradley brought. A goodly number of men, as well as women, enjoyed the ladies' splendid hospitality.

While the luncheon was still in progress, Rev. Bradley began his talk, which was exceedingly interesting from beginning to end. He told in concise manner of some of the urgent needs of the church, and much that he said was entirely new to his hearers. After hearing him any mist that may have been in the mind of his hearers regarding the great activity now on in the church looking to a greater educational movement, must have been cleared away. Rev. Bradley is an unusually able and pleasing speaker, and the noon hour was most pleasantly and profitably spent by all present.

22 MISSOURI WOMEN AMONG

114 COUNTY SCHOOL HEADS
The annual convention of the county superintendents of public schools came to a close here today after a session lasting all week. The convention was larger and more interest was manifested by the superintendents than in any former state convention. Of the 114 superintendents, it developed that 22 women were elected county superintendents, and each one of them had experience in school teaching prior to her election.

Miss Alice Trebe, of Aschison county, is serving her third term and Miss Zula Thurman, of Lincoln county, was county superintendent from August, 1909, to 1915, and four years later was again elected. Mrs. Clara E. Graham, of Mississippi county, has been county superintendent continuously since 1909.

Elizabeth Brainard of Grundy county, has served as county superintendent continuously since 1908. For the last six years Mrs. Anna L. Sims has been county superintendent of Clinton county, and Elizabeth L. White, of Vernon county, has served a like period. Mrs. Carrie E. Smith, of Stoddard county, was first elected in 1905 and after a lapse of four years was re-elected.

KNOWLES—McKINNEY
Miss Dee Allen McKinney and Mr. Harley Knowles were quietly married at the home of the bride's parents, Mr. and Mrs. E. J. McKinney, on April 12th. They were attended by Miss Myra Dobbins and Leslie Evans. The contracting parties are among Farmington's best known and most popular young people.

Mr. and Mrs. Knowles returned last Monday from their wedding trip, and will soon move into their home in Federal Row, Flat River. The Times joins with their many friends in wishing this newly mated pair long life and a full measure of happiness.

AMY M. CARTER
Passed away at her home in St. Louis last Sunday, where she had lived for about two years. She was the daughter of the late F. M. Carter, and had been a resident of this city practically her entire life. She was in her forty-second year when death called her. Funeral services were held Wednesday afternoon at 2 o'clock, and the remains were laid to rest in St. Matthews' cemetery in St. Louis.
Deceased leaves three brothers and one sister to mourn their loss. They are: David R., William P., Francis F. and Helen B. Carter.

PARENT-TEACHER
ASSOCIATION HOLDS
IMPORTANT MEETING

The Parent-Teacher Association met at the High School at 2:30 p. m. Tuesday, May 3rd, more than thirty women being in attendance. Committees were appointed for each school building, whose duty it shall be to secure new members for the Association and assist the Ward presidents in every way possible.

At the beginning of the school year, a star was promised to every child whose mother (or father) attended the meetings of the P. T. The room in each building having the greatest number of stars was to be given a prize, and it was decided, at the meeting Tuesday, to make this prize a sum of money to be expended at the discretion of the teacher and pupils winning the same. Twenty-four dollars is to be given for these prizes, this amount to be evenly divided between the three schools. These prizes will be distributed at the Field Day Exercises.

Another matter discussed was the distributing of milk to the school children at cost, and committees were appointed to ascertain how many children in the lower grades would take this milk, either for their noon-day lunch or at recess. This milk in half-pint bottles is being distributed throughout the Lead Belt by the Purities Product Company, and if enough patrons could be secured here, the milk would be distributed without the additional cost of expressing it from Flat River.

The sanitary condition of our schools was discussed again and a petition, signed by all the women present, was drawn up and presented to the School Board at its May meeting. It reads as follows:

To the Members of School Board of Farmington District:—

We, the members of the Parent-Teacher Association of Farmington, at a call meeting held in the High School May 3rd, 1921, respectfully petition that the sanitary condition of our schools shall be investigated and radically improved during the coming vacation period. In speaking of the sanitary condition, we wish to call attention to the walls, floors, woodwork and blackboards in all the schools, to the playgrounds, and general surroundings, and more particularly to the condition of all toilets. The toilets in the South Ward, especially, are a menace not only to the small children attending the school, but to all residents in that part of town, and are in a condition no civilized community should tolerate.

We ask that sanitary toilets of some approved style be installed in the Ward Schools. In demanding improved sanitary conditions in our schools, we emphatically include the Douglas School.

We also ask that a Supervisor of Public School Music and Art be employed and that these studies be added to the curriculum of the first eight grades.

The Association will meet at the High School on Tuesday, May 17th, and we request that a written reply to this petition reach us in time for that meeting.

The next meeting will be held on May 17, at 2:30 p. m. at the High School and matters of importance will be discussed at that time.

W. B. BROOM.

Mr. Godfrey Broom received a message Tuesday morning bearing the sad intelligence of the death of his son, W. B. Broom, (better known to his many Farmington friends as "Bon.") in Pueblo, Colo., at 3:40 that morning, for which place he and his wife had left here two weeks before on account of his health. Death was caused from a throat trouble, which was superinduced by recent exposure. They reached their new home in a heavy rain storm, and in securing a house and moving in "Bon" was brought into direct contact with much of the rain, which evidently brought on his fatal illness.

He was the only son of Mr. and Mrs. Godfrey Broom, was 41 years old, and had been married about a year. His wife was formerly Miss Nettie Moore, of Doniphan, and previous to her marriage had taught in the Flat River schools several years. Besides his wife and parents, deceased is survived by two sisters, which is all of the immediate family.

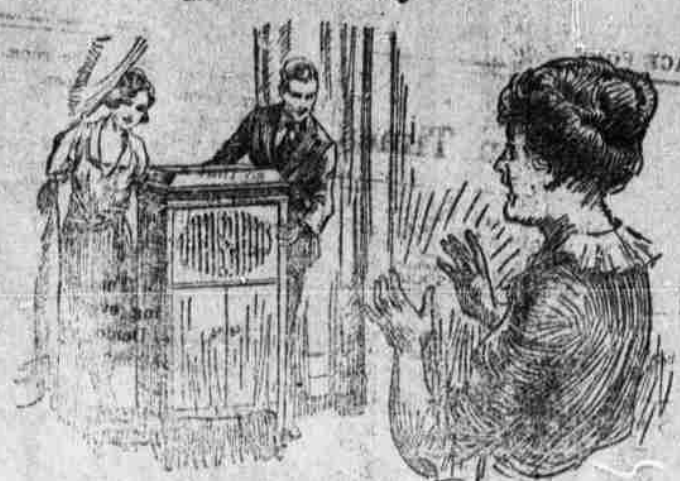

The remains will be brought back to the old home for interment, and the Masonic lodge of this city will be in charge of the ceremonies. Owing to the long journey, the exact date of the arrival of the body cannot be definitely determined, but the funeral services will probably be held to-day or to-morrow.

ROBERT McGEORGE

Robert McGeorge, son of Mr. and Mrs. Wm. McGeorge, of Knob Lick, died this Thursday, April 28, 1921, after an illness of nearly two years.

He leaves a mother, father, two sisters and two brothers to mourn his loss, but our loss is "Bobbie's" eternal gain.

All was done for him that loving hands and faithful hearts could do to stay the hand of death, but death was victorious.

He left us every evidence we could wish for that all was well with his soul.

May God, in his tender love and mercy, bless, comfort and strengthen us all.

I can fully sympathize with you, but may we always look to Jesus, who is the only friend that can comfort us in our sorrow and distress.

The funeral service was conducted by a friend, Mr. Asplow. Interment in I. O. O. F. cemetery near by.
